2017 : 89/100

Varietals : Syrah (60%), Carignan macération carbonique (30%), Grenache (10%)

Wine making process :

The grape is harvested by hand for the old carignan. All the varietal are fermented separately with long traditional extractions (28 days).for the syrah and carbonic maceration for the old cardigan. The wine is aged in tank for 2 years in order to have velvet round tannins.

Tasting notes :

Deep coloured, spicy and concentrated mouth with a very good length. There is a complex nose of dark fruits, freshly cracked black pepper and herbs de Provence. The palate is full bodied with rich, juicy fruit filling the mouth. This wine is really ample and marked by elegance..

Service temperature : 10-12°C
